

Red Velvet Cake - Application Recipe

Mauri Red Velvet Cake Mix

Ingredients:

	Weight (g)
Mauri Red Velvet Cake Mix	500
Whole Eggs	300
Vegetable Oil	150
Water	150
Total	1100

Production Method :

- 1) All in method with paddle attachment.
- 2) Beat all the ingredients at slow speed for 1 min.
- 3) Then shift to medium speed and continue mixing for 2 minutes.

- 4) Fill batter into 20 cm baking tin and bake at 160°C for about 1.5 hour. Baking conditions vary depending on batter scaling weight and oven characteristics.

**Recipe makes about one 20 cm cake*
